Dear Mr Lander

### SUBMISSION FOR EVALUATION OF SAFEWORK SA

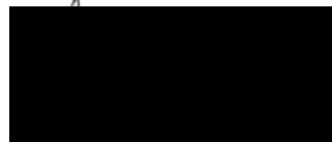

Thank you for your correspondence date 5 June 2018, inviting me to make a submission to the ICAC evaluation of the practices, policies and procedures of SafeWork SA. I greatly appreciate that the Evaluation team has granted an extension to provide the necessary time for the South Australian Metropolitan Fire Service (MFS) to give due consideration to your request.

In discussion with relevant personnel, I am very pleased to confirm that the MFS has always experienced a very good professional working relationship with SafeWork SA. Please note that the MFS is of the opinion that SafeWork SA have:

- regularly provided appropriate and timely advice;
- duly considered all relevant information, prior to making a determination in response to MFS practices; and
- provided sound advice and proposed suggestions for improvement in regards to the safety and wellbeing of our staff and the broader community.

I trust that the MFS can continue to receive a professional service from SafeWork SA both now and in the future.

Yours faithfully
